FIXED FEE GRANT ONLY

We can help you through this difficult legal process by applying for the Grant on your behalf, leaving you to collect the assets and distribute the estate personally. This fixed fee service is suitable for estates where there is no inheritance tax liability and all information regarding the assets and value of the estate is provided by you.

HOW MUCH WILL IT COST?

The cost is £995 + VAT which covers the work up to and including issue of the Grant of Probate or Letters of Administration. There may be other additional costs, for example if an executor wishes to renounce probate (£250 + VAT) or if a Statement of Truth is required concerning the circumstances surrounding the condition or execution of the will (£250 + VAT).

Disbursements are costs relating to the matter that are payable to third parties such as the court application fee (currently £300 + £1.50 for each sealed copy)

As part of our fixed fee we will:-

- Provide you with a dedicated and experienced probate lawyer to work on your matter
- Identify the legally appointed executors or administrators
- Accurately identify the type of application you will require
- Obtain from you the relevant information required to make the application
- Calculate the gross and net estate figures
- Complete the application and the relevant HMRC forms (if applicable)
- Make the application to the Probate Court on your behalf
- Obtain the Grant and send the original and sealed copies to you

HOW LONG WILL IT TAKE?

We are usually able to prepare the HMRC account and Grant application within 15 working days of all the information being provided by you. We aim to lodge these documents at the Probate Registry within a further 10 days after the papers are signed by you. The Probate Registry are currently processing the applications in approximately 12-14 weeks. When the Grant is received it will be forwarded to you to personally deal with the administration of the estate.

We can handle the full administration of the estate on behalf of the Executors or Administrators. As part of this service we will:-

- Provide you with a dedicated and experienced probate lawyer to work on your matter

- Accurately identify the type of application you will require

- Obtain the relevant information required to make the application
- Complete the application and the relevant HMRC forms
- Arrange to make a payment on account of Inheritance Tax, if required
- Make the application to the Probate Court on your behalf
- Obtain the Grant and lodge with the asset holders

- Prepare Estate Accounts and distribute to beneficiaries

HOW MUCH WILL IT COST?

The current hourly rate for Philip Conway is £275 + VAT. The hourly rate for Kym Clarke is £300 + VAT. The hourly rate for Mehnaz Siddiqui is £280 + VAT. The hourly rate for Hayley McLoughlin is £250 + VAT and the hourly rate for Charlotte Tunstall-Prince is £200 + VAT. It is difficult to estimate how many hours of work will be necessary to complete the administration of an estate and the exact cost will depend upon the individual circumstances of the matter and whether any problems arise; for example, regarding the interpretation of the Will, if a dispute arises between beneficiaries or if a claim is made against the estate by a relative or some other person.

As a general guide the total time spent on administering an average estate by our more experienced lawyers is usually between 10 hours (£2,500 + VAT) and 20 hours (£5,000 + VAT).

An average estate is where:-

- There is a valid will
- There is no more than one property
- There are no more than 4 bank or building society accounts
- There are no other intangible assets
- There are no more than 4 beneficiaries
- There are no disputes between beneficiaries on division of assets.
- There is no inheritance tax payable and the executors do not need to submit a full account to HMRC

On estates which are more complex, ie. where there is no will, multiple properties and assets and a large number of beneficiaries, or where full HMRC accounts are required and inheritance tax payable, the anticipated time is likely to be between 15 hours (£3,750 + VAT) and 35 hours (£8,750 + VAT).

We will be able to provide you with a more accurate estimate after we have more information about the estate.

Disbursements are costs related to your matter that are payable to third parties and may include:-

- The Grant application fee £300
- Copies of the Grant £1.50 each
- Trustee Act Notices in the London Gazette and local newspapers (varies but usually in the region of £250-£450)
- Land Registry searches £7 + VAT per property

Potential additional costs:-

- The sale or transfer costs of any property in the estate will be dealt with by our conveyancing team and quoted separately.
- In accordance with Law Society suggested guidelines an additional percentage charge may be applied to our final bill, based on the gross value of the assets collected or transferred. The percentages are 0.5% on the residence and 1% on the remaining assets rising to 0.75% and 1.5% respectively if Jefferies are appointed as executors although we often reduce the value charges, depending on the circumstances and the complexity of the estate.

HOW LONG WILL IT TAKE?

The time from the date of instruction to completion of the administration will vary widely from case to case. On average, a simple estate with no property to sell may be finalised within 4-6 months. Some complex estates can take 12-24 months to bring to a conclusion.
